

On behalf of the Bermuda Gymnastics, I would like to invite you to take part in our 7th annual International Gymnastics Challenge (IGC). We are honoured to serve as your hosts once a year to share a weekend of gymnastics excellence, laughter and adventure.

After much consideration, we have decided to move our meet to March 16th – 18th, 2018 to allow more families and friends the opportunity to enjoy our island over their countries' spring break.

Our meet will once again feature an USAIGC qualifier for all USAIGC members striving towards the 2018 National/ World Championships at the end of June 2018.

We will also be holding separate competitions for both USAG Boys and USAG Girls competitors across the same weekend to allow clubs the opportunity to involve more athletes and families. This expansion to other streamlines and disciplines encourages more participation as Bermuda strives to promote the growth and development of gymnastics across the island.

The past success of this meet would not be possible without the support and directions of past administrations, the dedicated parent volunteers and our coaching staff who work to ensure a positive experience for all. We are very excited to have interest from clubs from Canada, Jamaica, Australia and United States. Please do not hesitate to reach out to us with questions or requests as we strive to make your individual stays unique in every way.

We look forwards to seeing you in Spring 2018.

Adriana Forde

Bermuda Gymnastics Association

Head Coach / National Director
