

NC-NAWGJ CRITIQUE CLINIC

Optional Levels 6-10 & All Xcel Divisions

December 16-17, 2017

Nick's Flippin Kids, Clayton, NC

Join the NC Judges for a pre-season critique clinic. This clinic will offer direct feedback to each gymnast in a relaxed and informal setting. The judging community feels this format is a great stepping stone between performing routines in practice and in a formal competition setting.

REASONS TO ATTEND

Gymnasts: Small groups, Individual feedback, critiqued on all four events, receive a critique card with judges comments, make sure all requirements are being met, verify your start values, improve scores before season

Coaches: Hear feedback on your individual athletes, Directly ask questions to the judges, Improve gymnasts scores prior to competitive season, Coaches attend for free with registered Athletes

Parents: A parent information session will be offered during each session. Information will include meet etiquette, how a gymnasts score is calculated, parent responsibilities and expectations.
