

## **COVID-19 Guidelines for 2021 State Meets**

The safety guidelines below are to keep all of our spectators and gymnasts as safe as possible. We ask that all gymnasts and spectators adhere to these guidelines to allow everyone to have a safe experience.

- Each gymnast will only be allowed three spectators per gymnast. Graduating Seniors will be allowed four spectators.
- Gate is CASH ONLY, exact change is appreciated.
- Temperature checks will be done for everyone entering the building. If you have a fever you will not be allowed to enter.
- All spectators, gymnasts, coaches, and judges must wear a mask upon entry to the building. ALL SPECTATORS, COACHES and JUDGES MUST WEAR A MASK AT ALL TIMES IN THE VENUE.
- Gymnasts will also be required to wear a mask during down times as well. They will not be required to wear it at stretch, warm up or competition.
- Gymnasts need to bring their own water bottles and may bring chalk in their own personal bins. A chalk bowl will be available.
- Make sure your gymnast arrives dressed and ready for competition.
- PLEASE ARRIVE 15 MIN PRIOR TO STRETCH, DO NOT ARRIVE EARLIER THAN THAT. The building must be cleared and disinfected between sessions.
- Coaches will need to pick up awards after the last session of each level.
- There will be banners placed for photo opportunities after awards.
- Hand Sanitizer will be available throughout the building.

Thanks to everyone for your help in this process. It is our goal to give the gymnasts and spectators the best experience while keeping them safe! See you all soon!
