Re; Senior Recognition at State Championship

Hi everyone!

Ultimate Kids (Home of Tumblebees) is proud to host the 2021 NC Gold/Platinum State Championship this year! We would like to honor each of our graduating seniors in a special way. This is a momentous occasion for them as their last State Championship of their Xcel career.

To honor their dedication and hard work in this wonderful sport, we will need your help. Please provide us with at least 10 photos of your senior gymnast from their early years to the present. Also, please include answers to the enclosed questionnaire. The questionnaire lists specific photos we would like as well as questions for the gymnast and coach to answer. All photos and responses to the questionnaire should be emailed to: Angela Arace TYAA President at: tyaagymnasticspresident@gmail.com. Photos must be high resolution digital images from digital cameras or scanners, 3 megapixels or more.

The **deadline for submission is March 22, 2021** in order for us to have some type of digital presentation ready for the meet on April 16-18. We will also have a physical gift for those seniors sent to their gym following the State Championship.

Thank you for your assistance! Wishing all of our seniors a very successful Gold/Platinum State Championship!
